

Module Page

The “Module” page is the starting point to your interaction with that module. The information below provides you with an overview of the key elements unique to the Module page.

Module Title & Description

Includes module number, title and brief description of the module’s subject matter.

Completion Status Indicators

Green dots next to an item indicate that you have marked the topic as complete.

Course Home link

Jump back out to the Course Home page from anywhere in the course by clicking the “Return to...” link at the bottom of the Course menu.

Mark As Complete button

Click this button once you have completed **ALL** the topics and activities for the module.

The screenshot shows the ASPCA Learn website interface. At the top is the ASPCA logo and navigation links: Home, About, Courses, For Teachers, For Students, Log Out, Register. The main content area is titled 'Module 1: Basics of Animal Care & Welfare'. On the left is a 'Course Menu' with a list of modules, where 'Module 1: Basics of Animal Care & Welfare' is highlighted. Below the menu is a 'Return to AGR 1040: Animal Basics' link. The main content area includes a 'Module Description' and a 'Module Topics' list. A 'Mark Complete' button is located below the topics. At the bottom are 'Previous Module' and 'Next Module' buttons. Social media icons for Facebook, Twitter, Instagram, LinkedIn, and YouTube are at the very bottom.

Module Topics Menu

This menu provides an overview of all the topics in the module. This menu is only available on the Module Screen page.

Previous / Next Module buttons

Use these buttons to jump to the previous or next module.
