

“Topic” pages are located within Modules. Topics contain the content and activities of the course. The information below provides you with an overview of the important elements on a Topics page.

Topic Progress Indicators
Green dots indicate the topics in a module have been marked as complete. Grey Dots indicate module topics have **not** been marked as complete.

Topic Content Area
Includes the topic's Content and Practice Activities. This may include text, graphics, video, etc.

Video
Click the video's Play icon (▶) to begin playback. Click the video's Resize button (⛶) to open a full-sized version in a new tab / window.

Mark Complete button
Click this button when you have completed the topic's content and activities. Clicking a topic's "Mark Complete" button:
 1. advances you to the next topic in the module
 2. removes the button from the topic, and
 3. updates all Topic Progress indicators.

Back to Module link
Click the "Back to Module" link to jump directly to the Module page for that Topic.
