Final Project **Planning Template**

Instructions: Use this template to plan your final project.

The project options can be found on the Assignment Instructions page

Be sure to **SAVE this document to your course folder** when you are done.

Project Goal:
Keep the goals of AGR 2020 in mind when you write your project goal.
- Apply principles of animal science and health technology to provide care for a domestic animal
- Use a domestic animal and a housing or fence structure to help you demonstrate what you have learned

How my project will demonstrate my learning…
Jot down the key points that you want to make sure you address from each guiding concept in the course

Responsible Choices What choices are involved in taking responsibility for a domestic animal?	Animal Health & Welfare How should an animal's health be monitored and maintained?
Safe & Healthy Animal Environments What factors are necessary to establish healthy animal environments?	Societal Responsibilities How does society influence and affect animal care?
